Details Images

Wire Hose

Inlet pipe: 6 points steel wire hose

1.5 meters long

03

The advantages of this filling machine are

1. It does not need customers to buy an air compressor
2. Small size, cheap international express fee, more economical and cost-effective
3. In addition to liquid, it can also be filled with thicker paste, such as peanut butter, sesame paste, tomato sauce, royal jelly, etc.
4. Filling range: 20g-10kg, very wide
5. The shell material of the machine itself is stainless steel 304, which greatly increases the quality.
